    this sounds interesting right yes this is real the day as come to start a
new chapter which explore new people new
    technologies new life new place...everything is going to change saying a
lovely bye to the college / campus life and
    saying a very good morning to the corporate world which teach us the
life. Gooood Mooorinnng Tietoevry the
    day 16-08-2022 began to be a corporate guy introducing new people to my
life and the training started
    with beautiful colleagues and the trainer Mrs vibha. we went through
different soft skill training and more
    on human values which changed the view and taught of life.
